That's what Banvard's Folly: Thirteen Tales of People Who Didn't Change the World sets out to answer. The book chronicles the lives of thirteen interesting individuals who tried hard enough, but, for one reason or another, became nothing more than a footnote in history ï if they're lucky. Most notable among the stori

Banvard's Folly: Thirteen Tales of People Who Didn't...

Paul Collins' Banvard's Folly is a different kind of book. Here are thirteen unforgettable portraits of forgotten people: men and women who might have claimed their share of renown but who, whether from ill timing, skulduggery, monomania, the tinge of madness, or plain bad luck--or perhaps some combination of them all--leapt straight from life into thankless obscurity.

Banvard's Folly: Tales of Renowned Obscurity, Famous...

Paul Collins takes thirteen chapters of American myth that have been largely forgotten and turns them into an eye opening treatise on the failure of will, the folly of hubris, and the absolute madness of challenging the status quo. Mr. Collins' style leads to frequent laugh out loud asides while telling the story of folks who either succeeded and then lost, had a mad idea that failed (but not for lack of trying), or who had the sheer will to make themselves momentarily important only to be ...
