Psycholinguistics
(Book, 2011)

[WorldCat.org]

Jean Berko Gleason
is a living legend in
the field of
psycholinguistics —
how language
emerges, and what it
tells us about how we

think and who we are.
She has helped to illustrate the remarkable ordinary human capacity to begin to speak, and she's continued to break new ground in exploring what this may teach us about adults as about the children we're raising.
