With Spectrum she is trying to figure out why people are seeing strange animals, why jewelry has gone missing, and how to survive in the wild.

~~Catch-Your-Death (Ruby Redfort: #3) by Lauren Child~~

Unlike the other two Ruby Redfort books, Catch you Death is all about survival. Spectrum agent Ruby is sent off to participate in a survival course, and with her place in the field at stake there is no room for error. Will she make the assessment or will she be left crying for help? AMAZING! I read this book in one sitting, unable to put it down!
