## **I Love Trucks Stickers | Redbubble**

This is not a sticker book. It has one insert of stickers and had no place throughout the book to place the stickers. Very disappointed. It is a STORY about trucks but came up under sticker book search.

book I had when I was an 80s kid, where the stickers were literally pull off, place on, pull off, re-use.

Nope. Neither the stickers nor the scenery qualifies. That said, the stickers are pretty amazing - They really are nice.
