The Yorkist conquest of the Lancastrians in 1461 did not put an end to the Wars of the Roses, which rumbled on until the start of the sixteenth century. Family disloyalty in the form of Richard III's setting aside of his nephews, the young King Edward V and his brother, was part of his downfall. Henry Tudor, a claimant to the throne of Lancastrian descent, defeated Richard III in battle and Richard was killed.

0 Reviews. "The Wars of the Roses were a series of dynastic wars fought between supporters of two rival branches of the royal House of Plantagenet: the houses of Lancaster and York (whose heraldic symbols were the red and the white rose, respectively) for the throne of England. They were fought in several sporadic episodes between 1455 and 1485, although there was related fighting both before and after this period.
