Loud Sparrows is a spirited collection of ninety-one short-shorts written by Chinese authors over the past three decades. Presenting diverse voices and perspectives by writers both well known and new to the art, the stories are culled from newspapers, magazines, literary journals, and personal collections.

Loud Sparrows: Contemporary Chinese Short-Shorts ...

Sparrows are tiny but fully formed (and some are loud), thus the allusion to this collection of contemporary Chinese short-shorts of less than 1000 words. These stories could easily fit into the category of American flash fiction, although the contributors to this anthology state that the Chinese short-shorts have definite elements of poetry, as well as prose.

Presenting diverse voices and perspectives by writers both well known and new to the art, the stories are culled from newspapers, magazines, literary journals, and personal collections.

Loud sparrows : contemporary Chinese short-shorts (Book ...

With Loud Sparrows the editors look to introduce the Chinese short-short to English-speaking audiences -- a taller order than one might expect, but one which they carry off with aplomb, if not entirely success. One problem with presenting the short-short is that it is so popular -- i.e. that there are so very many examples to choose from.
