Anyway, for this year we have to settle for a green version of the LT80. KFX/LT80. Since the LT80, or as Kawasaki calls it, the KFX80, is one of the best stock minis you can buy today, we thought it was worth taking another look at. Priced at \$2299, the KFX80 is powered by a very peppy, electric starting, air-cooled two-stroke engine.

The "250" in the name of the Suzuki LT250R refers to the displacement of its engine. The ATV is equipped with a 246 cc two-stroke engine. Two-stoke engines are used in smaller engines, and most modern ATVs are equipped with four-stroke engines. The engine of the Suzuki LT250R is cooled by water. The ATV comes with a TM34SS Mikuni carburetor.
