Wealth And Democracy A Political

In *Wealth and Democracy*, Kevin Phillips charts the ongoing American saga of great wealth—how it has been accumulated, its shifting sources, and its ups and downs over more than two centuries. He explores how the rich and politically powerful have frequently worked together to create or perpetuate privilege, often at the expense of the national interest and usually at the expense of the ...

Wealth and Democracy: A Political History of the American Rich. New York: Broadway Books, 2002. Mr. Phillips' book, WeaLth and Democracy, stands asacontinuation in many ways of his previous works considering the increasing divide between rich and poor. The collection of works that com-

Kevin Phillips. Wealth and democracy: a political history ...
The tension between wealth and politics can also arise more directly, where the former is thought to secure political influence. Concerns about the influence of wealth in politics make the news headlines on a fairly regular basis, relating to a range of topics such as the funding of political parties, lobbying and the power of the media.

Political equality, wealth and democracy (Chapter 1 ...
Much of the history in WEALTH AND DEMOCRACY is of the American variety. He does, however, examine Spain, Holland, and Britain and the commonality these past governments have with the current American political and economic scene. The biggest common thread is the shrinking of the middle class a/k/a stratification of wealth.

Wealth and Democracy: A Political History of the American ...
3 Political equality, wealth and democracy does not explain why politicians' views may serve the interests of higher income groups more than any other.3 One possible explanation arises if politicians share similar characteristics to those on high incomes, for example being drawn

Kevin Phillips

Our review shows that the simple conjectures that democracy produces wealth equality and that wealth inequality leads to democratic failure are not supported by the evidence. Why are democracy and high levels of wealth inequality sustainable together? Three key features of democratic politics can make this outcome possible.

Wealth Inequality and Democracy | Annual Review of ...

Wealth inequality is a subject of great discussion today, and political scientists ought to be part of this debate. There is little evidence of an automatic link between democracy and wealth inequality. Democracy has many virtues, but it does not necessarily put societies on a path to greater wealth equality.

Wealth Inequality and Democracy | Annual Review of ...

In the early years of the United States, Thomas Jefferson fought bitterly with Alexander Hamilton over the structure of the U.S. financial system. Jefferson feared that without proper checks and balances, an aristocratic financial class would wield a disproportionate amount of influence in government and thus erode popular democracy. In this cogent and thought-provoking book, Phillips argues ...

Wealth and Democracy: A Political History of the American ...

Therefore, the meaning of democracy implies a government in which the supreme power rest in the people. It is a political system that is ruled not by monarchs or aristocrats but by the people themselves through their representatives. Generally, the representatives are chosen by the people through the adult franchise.
